## Gymnasts of the Month Recreational

Congrats Kamille Ross!

Kamille works extremely hard each week. This month she got her back handspring after struggling with it each week but no matter what she got back up and tried again. Kamille's skills have been improving all around. Her cartwheel on beam is gorgeous to watch! Keep on PERSERVERING Kamille!

## Recreational

Congrats Francessca Goggans

Francessca always finishes her assignments and goes above & beyond. She attempts skills that she is nervous to try and makes it look fearless. Francessca is a true pleasure to work with each week. Way to be FEARLESS Francessca!

Ella is always a great listener! Each week she improves more and more because she listens and makes corrections. She consistently has a big smile on her face as she cheers on her classmates to their best! Thanks for being an amazing LISTENER Ella!
