Congrats Loflin Andrus

Loflin is such a great listener and is always so respectful! She continually offers to help new students with skills! She has also progressed in her skills tremendously over the past few months. Loflin is truly a pleasure to coach!

Boys

Congrats Michael Karagus

Michael has a major fear of being upside down. For months he has avoided doing forward and backward rolls. This month Michael overcame his fear & not only did a forward roll, but he also did a backward roll!! Way to be BRAVE Michael!

NLGA TEAM

Congratulations Kenleigh Schraf & Alyssa Robinson!

In October Kenleigh & Alyssa traveled to Indianapolis for TOPS testing where they tested against 400 other gymnasts. Kenleigh & Alyssa both scored within the Top 100 and are invited back to individual TOPS Camps! Alyssa was invited to TOPS A Camp (Top 50 Gymnasts) and Kenleigh was invited to TOPS B Camp (Top 100 Gymnasts). Kenleigh & Alyssa will travel to Crossville, Tennessee in December where they & their coaches will be trained by the national staff! We are so excited for this opportunity for both these girls! All our TOPS Gymnasts have worked so hard this year and we are proud all of them! Each one of them has accomplished new skills and overcame fears!

Good luck this season!
